OVERVIEW

Fun With Facts I is a subject area disk to be used with the Tic Tac Show program disk. Fun With Facts I contains 57 categories introducing basic language, spelling, and math concepts in a game show format similar to Tic Tac Dough. Your child will enjoy learning while playing against the computer or a friend.

USING A TIC TAC SHOW SUBJECT DISK

This disk must be used in conjunction with the Tic Tac Show program disk. To operate this disk, first insert the Tic Tac Show program disk in the disk drive and boot up the program. (For detailed booting instructions, refer to the Tic Tac Show instruction booklet.) When the Main Menu appears on the screen, select option 1 (indicating that you wish to play a game). Then, answer the questions as they appear on the screen, pressing (RETURN) after each answer.

When you see the message

Insert the proper subject area diskette

remove the Tic Tac Show program disk and insert the disk from this package. Press (RETURN). Remember, should you wish to return to the Main Menu, you must replace the subject disk with the program disk.

WARRANTY MESSAGE

Please take a moment to fill out and mail the enclosed Warranty Card. By having your name on file we will be able to provide the best possible customer service, including information on program updates and replacement of damaged disks.

A great deal of effort has gone into preparing this program to operate smoothly and without "bugs." Should you have problems with this program, please contact our Customer Service Department at the following toll free number. We have the experience and service network to assist you.

1 (800) 341-4000

Given normal use, it should not be possible to damage this disk. However, should the disk or the program on it become damaged, please return it to us with a short description of the problem. The Software Guild will replace your disk promptly, according to warranty provisions.

The objective of the Software Guild is to provide the best software available. A Softsmith product is the trademark of software quality. We ensure that the program functions smoothly and is easy to use. To improve our products whenever possible, we are happy to receive comments, criticism, or praise. Please write to us at:
